Dear Bill:

The attached to Art Lundahl is for your information.

With respect to your recent note, it would be a pleasure for me to meet with you from time to time and discuss any matters you care to review with me. I think the role of "Consultant" might be set aside as it seemed to cause some problems - though totally unnecessary in the Church hearings. The whole idea was generated when I retired as a means of keeping my clearances open. Naturally, I wish to do this but I think that can be handled by your office. In any event, I am agreeable to anything you wish.

I sincerely hope that Jim Schlesinger's confirmation will go through in the next few days and yours will follow immediately. That will let you get on with your new job.

Best regards.

Sincerely,

Enclosure
